

WE ARE CELEBRATING

100,000

BI-FOLD DOORS MANUFACTURED BY ORIGIN

MADE IN THE UK

Origin is the leading UK manufacturer of bespoke aluminium bi-fold doors, windows and blinds. The only company in the world to offer zero lead time on a completely bespoke product, and all doors are manufactured at its factory in High Wycombe, England.

THAT'S EQUIVALENT TO

The width of

213

London Eye wheels

The number of people who attend Glastonbury

5X

 the length of the **White Cliffs** of Dover

The weight of

943

London double deckers

The height of

682

Shard skyscrapers

The size of

22

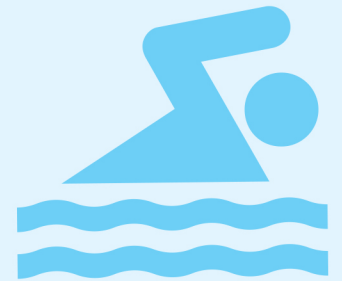

football pitches

DID YOU KNOW?

Commonwealth **Gold** medallist and Origin Athlete Fran Halsall would take more than

13 HOURS

to swim the 90,000 metre width of all the doors
